

VILLAGE CLOTH

2026 STYLE BOOK

Distinctive cloth. Regal silhouettes. Made for you.

A Curated Style Reference

This edition presents the Village Cloth 2026 collection as a refined customer reference. Closely repeated versions and simple color or fabric variations have been consolidated so each VC26 number points to a distinct design idea rather than a duplicate presentation.

Use the VC26 reference number when requesting a custom order. Fabric, color, fit, length, and finishing may be personalized during consultation.

HOW TO USE THE BOOK

1. Note the VC26 design number you prefer.
2. Submit the Village Cloth Custom Order Request form.
3. Choose a standard Village Cloth Curvy Fit size or provide custom measurements.
4. Confirm fabric, design adjustments, quote and production timing before work begins.

187 distinct design references in this revised edition.
