

## **Female Custom Measurement Form**

Please take all measurements with a tape measure, snug but not tight.

### ***Measurement Accuracy & Fit Disclaimer***

*All garments are custom-made based on the measurements provided by the client. To ensure a proper fit, the official Village Cloth measurement template must be completed accurately and in full. Clients are strongly encouraged to have their measurements taken by a professional tailor or alteration specialist. Village Cloth is not responsible for fit issues resulting from incorrect, incomplete, or inaccurately submitted measurements. Alterations required due to measurement errors provided by the client will incur additional charges.*

---
